Franklin College invites applications for the tenure track position of Program Director and Assistant Professor in the Masters of Science in Athletic Training program (MSAT). The Master’s program will run in conjunction with the College’s Master of Science in Physician Assistant Studies program. The tenure-track faculty member will coordinate and oversee all aspects of the MSAT, including the CAATE accreditation process. We provide a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual and professional growth. Please see www.FranklinCollege.edu for more details.
