Adjunct Instructor of Chemistry

The Department of Chemistry & Physics at Franklin College invites applications for an adjunct instructor to teach lab components of General Chemistry course for the fall semester of 2021-2022, which runs from August 30th-December 17th, 2021. This is a part-time, temporary position in which the instructor will deliver two three-hour lab sessions. Both lab meetings will occur on Wednesdays with the first lab running from 8:00—10:50 am and the second from 1:20—4:10 pm. Classes are anticipated to be in person pending public health guidelines.

We provide a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual and professional growth. This hire will have the opportunity to teach in our new, state-of-the-art Science Center, which includes a contemporary general chemistry lab. Please see www.FranklinCollege.edu for more details. Master’s or graduate degree in Chemistry or a closely-related field is required. College-level teaching experience is preferred.

Evaluation of applications will begin immediately and will continue until the position is filled. Applicants should submit a complete application (electronic submissions preferred) including a cover letter, Curriculum Vita, transcripts, and contact information of three references.

Please electronically forward complete application to:

Arbin Thapaliya, Ph.D.
Assistant Professor of Physics and Chair of Chemistry & Physics
