

ONE-YEAR FACULTY POSITION IN EXERCISE SCIENCE

Franklin College invites applications for a one-year Instructor of Exercise Science appointment, with possibility of renewal. The position begins in August 2021. The ideal candidate is a passionate educator committed to active and engaged teaching in exercise science and exercise science-related courses. Courses may include anatomy, physiology, introduction to exercise science, exercise testing and prescription, exercise testing for special populations, or other related exercise science courses. Classes are anticipated to be in-person pending public health guidelines.

The successful candidate will be required to demonstrate best practices or high-impact practices in college pedagogy. We seek applications from individuals with the ability to contribute in meaningful ways to the College's continuing commitment to diversity, especially those with demonstrated success working with diverse populations.

We provide a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual, and professional growth. Please see www.FranklinCollege.edu for more details.

Required Qualifications include:

- Earned master's degree in exercise science or health-related field
- Demonstrated ability to teach courses within an exercise science or related healthcare field.
- Experience working with undergraduate students.
- Experience using technology in the teaching/learning process

Preferred Qualifications include:

- Certification from either ACSM or NSCA
- Earned or currently pursuing a Ph.D. in exercise science or health-related field

Evaluation of applications will begin immediately and will continue until the position is filled. Applicants should submit a complete application (electronic submissions preferred) including a letter of application, curriculum vita, transcripts, and a list of three references with contact information via the application link – [Franklin College Faculty Application](#).

Questions may be submitted to:

Kyra Noerr, Ph.D.

Associate Professor and Chair of the Department of Exercise Science

Franklin College 101 Branigin Blvd. Franklin, IN, 46131
