Franklin College invites applications for a full-time Principal Faculty position in its Master of Science in Physician Assistant Studies program. The appointment is scheduled to begin in August 2021 and reports to the PA Program Director. Academic rank and salary will be commensurate with the candidate’s level of education and experience.

Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom through small class sizes and intentional relationships between students and their faculty mentors. As a team member in the graduate, this faculty member will join a college with historically strong undergraduate programs in the life sciences. Graduates of the MS in Physician Assistant Studies program will focus on providing safe, patient-centered care to underserved populations in both metropolitan and rural settings.

**Essential Functions:** The clinical coordinator serves the dual role of principle faculty member and administrator of the clinical education portion of the PA program. S/he collaborates with the program director, faculty, and staff to ensure that the clinical education of students meets or exceeds the accreditation standards for PA education.

- Support the college and PA program mission statements.
- Deliver assigned didactic courses.
- Coordinate courses and recruit and vet adjunct lecturers for those courses.
- Maintain course syllabi consistent with college and ARC-PA standards.
- Prepare and deliver current content, based upon ARC-PA standards and the PANCE matrix.
- Evaluate and track student performance and provide remedial instruction as necessary.
- Provide student advising during full course of the program.
- Evaluate clinical sites providing appropriate documentation
- Evaluate clinical student performance, both written and practical
- Select applicants for admission to the program in accordance with agreed-upon admission standards.
- Participate in curriculum and program review.
- Participate in application, self-study, and site-visit activities necessary to acquire provisional and continuing program accreditation.
- Attend college faculty meetings, department meetings, and committee meetings as scheduled.
- Participate in service to the college and to the community at large.
- Engage in scholarship and professional development.
- Perform other duties as assigned.

**Required Qualifications: Minimum qualifications include:**

- Master’s degree in physician assistant studies from an accredited program
- Current NCCPA Certification
- A valid physician assistant license for the State of Indiana or eligibility to obtain such licensure
- At least two years of relevant clinical experience
Preferred Qualifications:

- Teaching and/or precepting physician assistant students
- Experience in primary care, ER, ICU, OBGYN, surgery, pulmonology, or endocrinology
- Participation in local, regional, and/or national physician assistant or other medical organizations

Review of applications will begin immediately and will continue until the position is filled. Applicants need to submit (electronically preferred) a complete application via the application link – Franklin College Faculty Application. A complete application will include a cover letter, resume, and a list of three professional references.
