

Adjunct Instructor of Physics

The Department of Chemistry & Physics at Franklin College invites applications for an Adjunct Instructor to teach algebra-based general physics classes and associated lab sessions for the fall semester of 2023 which runs from August 28th—December 14th. This is a part-time, temporary position in which the instructor will deliver two lectures and two lab sessions per week. Lectures are scheduled for Tuesday/Thursday 12:10-1:50 with one lab from 2:00-3:50 on Tuesday and one lab from 2:00-3:50 on Thursday. Classes are anticipated to be in-person pending public health guidelines. A Master's degree in Physics or closely related field is required; a PhD is preferred. Candidates who are ABD will receive full consideration. Preference will be given to candidates with teaching experience and teaching evaluations may be requested at a later time.

Franklin College provides a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, Franklin College supports purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual and professional growth. This hire will have the opportunity to teach in Franklin College's new, state-of-the-art Science Center, which includes a contemporary general physics lab. Please see www.FranklinCollege.edu for more details.

Evaluation of applications will begin after January 30th, 2023 and will continue until the position has been filled. Applicants should submit a complete electronic application including a cover letter, Curriculum Vita, transcripts, and contact information of two references to:
