### APPLY AT ANY TIME

Franklin College offers rolling admission, and our online application is free all year.

1. Complete the online application at **FranklinCollege.edu/apply** or use **CommonApp.org**.
2. Provide the appropriate transcripts to the Franklin College Office of Admissions, 101 Branigin Blvd., Franklin, IN 46131 or [admissions@FranklinCollege.edu](mailto:admissions@FranklinCollege.edu):  
**High School Transcripts:** Request from your high school guidance office or **www.Parchment.com**. If you receive the transcript, do not open it. Place it in a larger envelope and forward to Franklin College Office of Admissions by U.S. Mail. Transcripts need to come directly from Parchment or your high school to be considered official. If you have completed more than 24 credit hours of college credit, then you do not need to submit a high school transcript.  
**College Transcripts:** Request from your registrar's webpage or **www.Parchment.com**. Again, transcripts need to come directly from Parchment or your previous institution(s) to be considered official.

### TRANSFER CREDITS

You can get an overview of how your courses will transfer by using the QR code or going to **www.Transferology.com**.
