Assistant Professor of Athletic Training

Franklin College Department of Graduate Health Sciences invites applications for an Assistant Professor of Athletic Training, with a preferred start date of January 2024. Responsibilities include teaching graduate-level didactic and clinical athletic training courses in our CAATE accredited Master of Science in Athletic Training (MSAT) program and advising students. This is a full time (11 month/non-tenure track) renewable faculty position with opportunity for a tenure-track line (terminal degree required). Qualified candidates with an expressed interest may have the opportunity to transition to the Clinical Education Coordinator role in addition to teaching in the program. The department seeks a candidate who is committed to fostering an environment of diversity and inclusion among all students, faculty, and staff and willing to adapt teaching strategies and content delivery for student success.

Franklin College provides a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual, and professional growth. Please see [www.FranklinCollege.edu](http://www.FranklinCollege.edu) for more details.

**Job Responsibilities and Duties for Assistant Professor of Athletic Training**
- Provide quality teaching and instruction within the MSAT program while working with students in a small liberal arts college setting
- Assist the MSAT program director and faculty with the development, assessment, and revision of didactic and clinical curricula
- Communicate effectively with students, faculty, staff, and administrators
- Mentor, advise, and support student research in the MSAT program
- Assist with developing accreditation reports and programmatic outcome measures
- Assist with program recruitment and admissions

**Qualifications**

**Required:**
- Master’s degree in athletic training or related field
- Min three (3) years BOC certified and in good standing with the BOC
- Teaching experience (preferred experience teaching in athletic training)
- Previous clinical practice in athletic training (preferred min. 2 years)
- Eligibility for athletic training licensure in the state of Indiana
- NPI number with the appropriate health care designation
- NATA membership

**Qualifications**

**Preferred:**
- Terminal degree in athletic training or related health care field; strong ABD candidates considered for tenure track
- Five (5) years BOC certified
- Teaching experience in a CAATE accredited program
- Familiarity and/or experience with CAATE accreditation, standards, and guidelines
- Experience supervising and guiding research
Benefits
Benefits package includes health, dental and vision insurance, life and disability insurance, retirement plan, EAP, and tuition benefits for the employee and their family.

Application Process
Evaluation of applications will begin immediately and continue until the position has been filled. Salary is commensurate with experience and qualifications. Interested applicants should submit a completed application including a letter of application, Curriculum Vita, copies of transcripts (can be unofficial for initial application), and the names and contact information of three professional references, via the application link: Franklin College Faculty Application
