Franklin College Education Department
Enrollment, Completion and Placement Data

Table 1
Enrollment and Completion Information

Programs Leading to Initial Teaching Credentials Academic Year 2022-2023	Number of Enrolled Candidates	Number of Completers	Cohort Completion Rates*	Number Recommended for Licensure
Traditional Undergraduate: Elementary Education	29	15	100%	12
Alternative Post-Graduation: Secondary Education	5	5	100%	3
Total in All Programs	34	20	100%	15

*Cohort completion rates are based on the candidates who completed the various programs within their respective program's expected time frame and in 1.5 times the expected time frame.

Table 2
Placement Data for Franklin College EPP Completers

Placement of Total Completers in All Programs (N=20)	Employment Rates*
Completers employed in Indiana teaching positions requiring licensing	85%
Completers voluntarily employed in areas not requiring licensing such as private sector, military, other educational entities	10%
Completers in other educational engagement such as graduate school, out-of-state teaching	5%

*Employment rates use the institution's definition of placement, which is within six months of graduation as tracked by the Education Department and the Director of Career Development
