.NET Developer

Founded in 1834, Franklin College is a residential four-year undergraduate liberal arts institution with a scenic, wooded campus located 20 minutes south of downtown Indianapolis. The college prepares men and women for challenging careers and fulfilling lives through the liberal arts, offering its approximately 1,000 students 28 majors, 36 minors and eight pre-professional programs. In 1842, the college began admitting women, becoming the first coeducational institution in Indiana and the seventh in the nation. Franklin College maintains a voluntary association with the American Baptist Churches USA. Franklin College is accepting applications for the position of .Net Developer for our Office of Technology. This position will build and maintain applications that are utilized by faculty, staff and students on campus. This is a salaried, full-time position reporting to the Director of IT.

Essential Position Functions

- Design, code, test, and maintain applications using .NET Core Razor Pages and languages including ASP.NET, C#.NET, Entity Framework Core, HTML5, CSS3, JavaScript, jQuery, Bootstrap, and SQL;
- Proved end user support and training with in-house developed or externally purchased software solutions;
- Meet with prospective faculty, staff, students and vendors to gather needs assessments and look at simplifying business process with software solutions;
- Regularly implement properly tested application updates and bug fixes to in-house developed applications;
- Work with a team to provide technical support on an ad hoc basis to all faculty, staff and students;
- Follow and abide by all safety rules and regulations;
- Other duties as assigned by management.

Qualifications

- Associate’s or Bachelor degree from an accredited college or university in related field is required;
- 1 – 5 years’ academic or professional experience in related area;
- Knowledge and experience of customer service best practices;
- Proficiency in .NET Core 5+ (Razor Pages or similar), .NET Framework Webforms 4x, C# and SQL, Relational databases, and Object-oriented programming;
- Excellent verbal and interpersonal skills;
- Ability to adapt to quickly changing environments;
- Excellent organizational and multitasking skills.
APPLICATION PROCESS

Review of applications will begin immediately and continue until the position is filled. Qualified candidates should submit electronically (MS Word or PDF) a cover letter, resume, and contact information for three professional references via the application link Franklin College Staff Application.
