

Pharmacist Lecturer for the Master of Science in Physician Assistant Studies Department

Franklin College invites applicants to fill the role of Pharmacist Lecturer within our Master of Science in Physician Assistant Studies Department. This position will begin Spring of 2024. This is a part-time, temporary position where the lecturer will deliver lectures in the MS Physician Assistant program based upon provided instructional objectives and learning outcomes for the following courses: Intro to Pharmacology, Systems Pharmacology I-III. We provide a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual and professional growth. Please see www.FranklinCollege.edu for more details.

The essential function of this position consists of, but is not limited to:

- Deliver assigned lectures in the MS Physician Assistant program based on provided instructional objectives and learning outcomes for the following courses: Intro to Pharmacology, Systems Pharmacology I - III.
- Prepare and deliver current content, based upon ARC-PA standards and the PANCE matrix.
- Meet classes as scheduled and fulfill your responsibilities in a professional manner.
- Implement and oversee student assessment (weekly quizzes, exams) and if necessary, remediation.
- Collaborate with PA principal faculty to ensure that lecture content, clarity of expectations, assignments, assessments (quizzes, exams), assessment statistics, and remediations are at an appropriate breadth and depth for PAs.
- Provide students an opportunity to evaluate your teaching.
- Allow the course coordinator/program director to provide observations and feedback
- Complete post course summary form and faculty evaluation in collaboration with PA principal faculty
- Support the college and PA program mission statements.
- Perform other duties as assigned.
- The faculty member must not participate as a health care provider for students in the program, except in an emergency situation.

Required Education and Experience

- PharmD is required;

Preferred Qualifications:

- Experience teaching and/or precepting pharmacology/physician assistant/health science students
- Participation in local, regional, and/or national physician assistant or other medical organizations

Evaluation of applications will begin immediately and will continue until the position has been filled. Applicants should submit a complete application including a cover letter, Curriculum Vita, transcripts, and contact information of three references via the application link: https://franklincollege-ubsru.formstack.com/forms/faculty_application
