Franklin College invites applications for a one-year Instructor of Exercise Science appointment for the 2024-2025 academic year. The ideal candidate is a passionate educator committed to active and engaged teaching in exercise science and exercise science-related courses. Courses taught may include human physiology, exercise physiology, motor learning, research methods, or other related exercise science courses, based on the individual’s experience, expertise, and interest. Classes will be conducted in-person.

The successful candidate will be an enthusiastic and dedicated educator, demonstrating best practices or high-impact practices in college pedagogy. We seek applications from individuals with the ability to contribute in meaningful ways to the College’s continuing commitment to diversity, especially those with demonstrated success working with diverse populations. This is a full-time position with a benefits package that includes health, dental, and vision insurance, life and disability insurance, retirement plan, EAP, and tuition benefits for the faculty member and their family.

We provide a strong, active, and tailored liberal arts education through small class sizes and intentional relationships between students and their faculty mentors. Located about 20 miles from downtown Indianapolis, we support purposeful and practical academic experiences in and out of the classroom that leverage this location as students pursue personal, intellectual and professional growth. Please see www.franklincollege.edu for more details.

**Required Qualifications:**
This position requires a Master’s Degree in exercise science or health-related field from an accredited college or university. Candidates with successful teaching experience within an exercise science or related healthcare field to undergraduate students and a willingness to work in a private small liberal arts setting will receive highest priority. Preference will also be given to those who possess a certification from either ACSM or NSCA, or those who earned or are currently pursuing a Ph.D. in exercise science or health-related fields.

**Evaluation of applications will begin immediately and will continue until the position has been filled.** Applicants should submit a complete application (electronic submissions preferred) including a cover letter, Curriculum Vita, transcripts, and contact information of three references via the https://franklincollege-ubsriformstack.com/forms/faculty_application or at https://franklincollege.edu/about-fc/human-resources/employment-opportunities/
